

Gabriola Fire Protection Improvement District

**Meeting:
April 2, 2025**

As always, audio recordings are permitted by the public.

Video recordings of public meetings will be available at the beginning of the following week after the meeting.

*The videos are focused on the Trustees only. The public is **NEVER** shown. The videos are shown in their entirety so that context of discussions and decisions can be maintained throughout.*

As of this meeting, the videos are available here:
